

Kinnaird College for Women

MEMORANDUM OF UNDERSTANDING BETWEEN KINNAIRD COLLEGE FOR WOMEN (KCW) AND SCI-PAK CONSORTIUM

This memorandum of understanding promotes co-operation between the Sci-Pak Consortium (Party 1) and Kinnaird College for Women (Party 2). This agreement is valid initially for 2 years and may be extended with mutual consent of both parties.

Within fields that are mutually acceptable, the following forms of collaboration will be pursued.

Involvement of Sci-Pak Consortium

Article 1: Sci-Pak consortium will provide help in:

- Preparation of course material
- Training of teachers
- Preparation of journal and conference publications
- Support during the seminars/ workshops

Article 2: Seminars/Workshops

Seminars/ workshops will be arranged for students with the help of Sci-Pak consortium to appraise the students about sustainable production technologies and their relevance to Pakistani industries.

Article 3: Students Internships

Participating students will be offered opportunities for undertaking internships to enable them to apply the skills set they will learnt in the seminars/workshops.

Article 4: Monetary Compensation

Sci-Pak consortium will compensate the resource persons/logistics management personals as per prevailing rules of Kinnaird College for Women.

Involvement of Kinnaird College for Women, Lahore:

Article 5:

KCW Lahore is willing to participate in the Sci-Pak project for sustainable production in manufacturing industries in Pakistan and will nominate a focal person. The focal person will, in consultation with IHT, nominate resource persons.

The focal person at Kinnaird College will be responsible for carrying out the seminars/workshops for the final year students.

Article 6:

KCW Lahore will grant permission for the use of common display areas (notice boards, web portals, university news letter etc) for knowledge dissemination activities.

Article 7:

University will grant permission to use university logistics (Seminar hall, sound systems etc) for the seminars/workshops.
